

Pure & Original's lacquer paint is easy to maintain and can be used both indoors and outdoors, depending on the type of paint chosen.

This lacquer can be applied to various surfaces, including doors, window frames, furniture, and radiators. The Traditional Paint options, available in High-Gloss and High-Gloss Elements, can even be applied to walls!

Traditional Paint comes in High-Gloss and Eggshell finishes, making it suitable for any setting. Additionally, this paint is highly durable and environmentally friendly. Its natural and organic pigments offer strength, fullness, and particularly high coverage.

If you prefer a matte finish over a glossy one, consider Carazzo. Carazzo is an exceptionally strong, universal lacquer paint suitable for various indoor applications. It has a matte finish and is easy to use, allowing you to change the atmosphere of a room effortlessly. Carazzo is also sustainable and environmentally friendly. It is perfect for use on stairs, floors, and kitchen cabinets.

LACQUER PAINT

Super matte to high gloss

Traditional Paint Eggshell

Traditional Paint Eggshell has a silk gloss finish. Additionally, the lacquer paint is highly durable and environmentally friendly. The natural and organic pigments provide the paint with strength, richness, and exceptional covering power.

Traditional Paint High-Gloss

High-gloss lacquer is stylish, timeless, and exudes sophistication. Traditional Paint High-Gloss is a high-quality, scratch-resistant lacquer paint that is ideal for use on doors, window frames, woodwork, MDF and even radiators, as well as PVC and metal surfaces, both indoors and outdoors. Pure & Original's high-gloss lacquer paint can also be used on walls due to its very low VOC content, unlike many other high-gloss lacquer paints.

Traditional Paint High-Gloss Elements

The Traditional Paint High-Gloss Elements Collection is known for its striking high-gloss finish, enhanced with a vibrant sparkle. This collection features seven new colours developed explicitly for the Elements Collection: Gold, Brass, Bronze, Rose Gold, Copper, Silver, and Gunmetal. Experience the pure essence and rich appearance of these dynamic elements. For more information, check out the Elements Collection product brochure on our website or at a Pure & Original retailer.

Carazzo

Carazzo is a particularly strong, versatile lacquer designed for various interior applications in your home. It is ideal for stairways, floors, doors, windows, and kitchen cabinets. This lacquer offers a matte finish that is easy to apply, making it a straightforward solution for enhancing the ambiance of your living space. Carazzo is known for its durability and environmentally friendly attributes.
